

2019 SPEAK - OUT SHEETS

UNDERSTANDING THAT EVERYONE PLAYS A PART IN THE GROWTH AND DEVELOPMENT OF VICTORY CHAPEL. WE WANT TO GIVE YOU A CHANCE TO PROVIDE FEEDBACK, IDEAS, AND TO HELP US TO IDENTIFY AREAS OF IMPROVEMENT. DISCUSS THESE QUESTIONS WITH YOUR FAMILY AND SUBMIT TO PASTOR BY DECEMBER 1ST.

CELEBRATION POINTS :

1. What do you love or appreciate about Victory Chapel?

2. What do you feel Victory Chapel does well?

5PM DISCIPLESHIP CLASS :

6. In the beginning, we added the 5pm discipleship class because people asked for more systematic Bible teaching and we wanted to offer Sunday school for our children. However, over time attendance has not been consistent and there is not as much enthusiasm now about this hour as there was in the beginning. We understand this time of day is not an ideal time for a teaching class. Is there anything you would suggest (new topics, class format, etc) or change to improve the 5pm discipleship class?

7. How would you feel if we changed our Sunday service schedule in 2020 and started our Sunday worship service at 5pm instead of 6pm? In this new schedule, we would have a kid's class (once a month) and a teen class (once a month) during worship service – but there would not be a weekly pre-service class. Share your thoughts.

VOLUNTEER OF THE YEAR :

8. If you were to nominate a volunteer Dream Team member for “Volunteer of the Year” who would you nominate? Why would you nominate this person and what do you admire about them? What have they done to make Victory Chapel a great church?

MOST IMPACTING PERSONAL MOMENT :

9. When you think back over the course of 2019, what do you feel was the most impacting moment for you personally at Victory Chapel? Which service, outreach, sermon, special speaker, or training has made the most impact on you as a person?

GENERAL THOUGHTS:

10. Are there any other general thoughts or points of feedback you would like to share with Pastor Paul as we plan, pray, and prepare for greater growth in 2020?
