 - Kyle/Buda > San Marcos > Wimberley/Driftwood
 - Tentative start date: September 11th
- **College Nights**
 - Thursdays @ Ross & Cheryl's
- **College Service**, Sunday, September 15th

FOCUS AREAS

1. Guest Retention

In a healthy church, the benchmark of growth is not an increase in attendance. Rather, growth is seen when:

First time guests come back.

A high percentage of Sunday attendance is engaged in small groups.

Church members begin to disciple others.

The greatest ministry does not happen on Sunday.

2. Funding

The Impact Community has awarded us a matching-funds grant up to \$50,000 allowing us to raise a total of \$100,000 by the end of the year.

We have been given until December 31st to raise the first \$50,000.

The soonest we can access our funds is October 1st.

We have created a “Legacy 2020 Facility Fund” on our website where people can give directly to this effort.

Our goal is to use these funds to get us into a more permanent church facility by January 1st.

\$24,624.08 = what we need to raise by Dec 31st to maximize the grant

THE MIRACLE IS UP TO GOD.
BUT THE CAPACITY IS UP TO US.
2 Kings 4:1-7

We love you Nikki!
