

SEPT 26 SMALL GROUP CALL

- How is Deep Roots going?
- Do you feel like people are responding well to this series?
- Any changes you would make to the curriculum itself?

WHAT SHOULD I DO WITH MY \$50?

- This is a stipend for you to invest into your small group ministry.
- Because this is a stipend and not an allocated budget, you are not required to turn-in receipts for purchases.
- The budget of a church illustrates its priorities and we include these stipends as part of our overall budget for monthly ministry.
- We want to set up group leaders for success and support them in their efforts to pour into the group they lead.
- You are free to buy food, supplies, giveaways, or other items that may improve your overall group life.
- You are free to use this stipend to buy a group member coffee or lunch.
- You are free to buy yourself (and your spouse) coffee if you decide to go out to study or plan for your small group.
- We invest in you because we believe in you and believe in the mission of small groups.
